Astability Vision

护眼营养素

 **SKG**world

全天候对抗蓝光

您曾计算过您每天花多少时间使用3C产品吗？手机、电脑或电视为您的生活带来便利与娱乐之余，也正无声无息地损害着您的双眼。您知道吗？长时间接触屏幕所释放的蓝光易造成眼睛疲劳、干涩、视力退化，甚至会引发这种眼疾。

采用多种天然强效抗氧化成分配制而成的Astability Vision，能有效的过滤破坏眼睛的蓝光，避免眼组织受损，同时有助于保护眼睛和预防眼疾。粉状质地，加上浓郁的果味，成人或小孩都适合饮用，随时随地给双眼最细致的呵护，时刻保持眼部健康。

适合人群：

需长时间观看电子屏幕
(电脑、手机、电视等)

需长期暴晒在阳光下

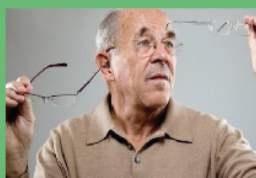

长时间阅读

眼睛长期干涩疲劳

患有电脑视觉综合征

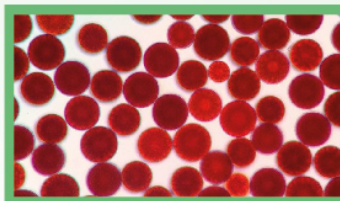

视力退化

Astability Vision 有助于：

- 保护眼睛和维持视力健康
- 改善眼睛疲劳、延缓眼睛衰老
- 预防各种眼疾的发生如视力模糊，对焦能力衰退和老年黄斑病
- 清除损害眼睛组织的自由基
- 具有过滤蓝光，保护眼睛免受紫外线伤害的功能，是眼睛的天然“墨镜”

三大护眼成分：

(1) 虾青素 (Astaxanthin)

- 天然强效抗氧化剂
- 防止及延缓白内障的发生
- 减轻视觉疲劳
- 预防视力模糊、老花眼及干眼症

(2) 山桑子萃取物 (Bilberry Extract)

- 富含花青素抗氧化成分
- 帮助促进眼部微循环
- 维持正常眼压
- 舒缓眼睛疲劳
- 加速视紫质的再生能力，以助提升视觉的敏锐度和夜视力

(3) 叶黄素与玉米黄质 (Lutein & Zeaxanthin)

- 存于视网膜中仅有的两类类胡萝卜素
- 减少自由基的伤害
- 有助于维护视网膜黄斑健康
- 过滤紫外线的蓝光谱

使用方法：

每天一包，加入150毫升（ML）的室温水，搅拌均匀即可服用。

Astability Vision

NUTRITIONAL SUPPLEMENT FOR EYE HEALTH

Daily Blue Light Defender

Have you ever considered how much time you spend using 3C products every day? Mobile phones, computers and televisions bring convenience and entertainment into your life; but, they are also silently causing damage to your eyes. Do you know that long-term exposure to blue light emitted by digital display screens is likely to result in eye fatigue, dryness, visual deterioration, and could even lead to various eye diseases.

Formulated with a variety of potent natural antioxidants, Astability Vision can effectively filter the blue light that harms the eyes thereby preventing damage to eye tissue, while also helping to protect the eyes and ward off eye diseases. Its powdered formula rich in fruity flavour, making it suitable for adults and children, while providing the most meticulous care for the eyes, hence constantly maintaining eye health.

Suitable For Individuals Whose Eyes Suffer From:

Continued exposure to digital display screens (computer, mobile phone, television, etc.)

Prolonged exposure to the sun

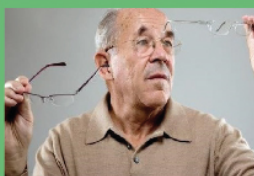

Long periods of reading

Dry eye syndrome

Computer vision syndrome

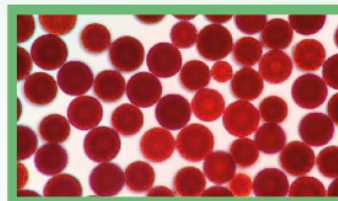

Visual deterioration

Astability Vision Help To:

- Protect the eyes and maintain eye health
- Relieve eye fatigue
- Prevent the occurrence of various eye diseases such as blurry vision, problems with focusing and age-related macular degeneration
- Delay age-related eye disorders
- Remove free radicals that damage the eye tissue
- Filter blue light and protect eyes from ultraviolet damage. It can act as natural "sunglasses" for the eyes.

3 Main Ingredients:

(1) Astaxanthin

- Potent natural antioxidant
- Prevents and delays the occurrence of cataracts
- Reduces eye fatigue
- Prevents blurred vision, presbyopia and dry eyes

(2) Bilberry Extract

- Rich in anthocyanin antioxidants
- Helps promote microcirculation within the eyes
- Maintains normal intraocular pressure
- Soothes eye fatigue
- Accelerates regeneration of rhodopsin to enhance visual acuity and night vision

(3) Lutein & Zeaxanthin

- Are the only two types of carotenoids found in the retina
- Reduce free radical damage
- Help to maintain macular health of the retina
- Filter the damaging blue light of ultraviolet radiation

Usage Instructions:

Take one packet daily, add 150 ml of water (room temperature), and mix well before consuming.
