胶原三肽纯粉 还原Q弹美肌

胶原三肽是目前所发现分子最小的胶原蛋白，其结构与人体胶原蛋白非常接近，因而不需分解就能被细胞完整吸收，从而改善肌肤老化迹象，重展弹润透亮的年轻光采。

胶原蛋白是维持肌肤弹性和组织器官结构的关键成分，与弹力纤维形成网状支撑体以维持肌肤的张力和承受力。然而随着年龄增长，胶原蛋白的流失将破坏支撑体结构，导致肌肤出现皱纹、松弛、缺乏弹性和干燥等现象。

因此，为身体及时补充胶原蛋白变得尤为重要。

胶原三肽被誉为肌肤专属的胶原蛋白，蕴含大量的甘氨酸、脯氨酸和羟脯氨酸，除了比其他胶原蛋白如胶原蛋白肽更快及更易被人体所吸收，还有利于皮肤、关节、骨骼和头发健康，有效修补受损细胞及恢复肌肤的弹性、紧致和保湿度。

胶原三肽纯粉的4大功效

锁住水分，
让肌肤时刻保持润泽

修复受损胶原纤维，
提升肌肤弹性及减少皱纹

促进受损骨骼和关节
的修复与愈合

改善头发和指甲健康

如何食用

每日食用一匙(≈1.8g)或搭配其他饮料如清水、牛奶、果汁等或食物一起食用。

Collagen Tripeptide Powder

For Bouncy, Radiant Skin

Collagen Tripeptide is the smallest collagen compound currently known to man. Its chemical structure is similar to collagen found and produced in the human body, which allows it to be completely absorbed by the cells without any decomposition. Collagen tripeptide is touted to have great anti-aging properties that can restore skin's natural radiance and give you a dewy, youthful glow.

Collagen is the key protein in maintaining skin elasticity and tissue structures. It does so by forming a mesh-like support system with elastic fibres that works to reinforce the skin's durability and strength.

However, as we age, the loss of collagen is inevitable. This eventually leads to the weakening of these structures, thus resulting in common skin woes such as wrinkles, sagging, lack of elasticity and dryness. Restoring and replenishing the body's supply of collagen is the secret to obtaining smooth, healthy yet supple skin.

Collagen Tripeptide is known as the skin-specific collagen, as it contains a large amount of glycine, proline and hydroxyproline. It is not only quicker and more easily absorbed by the body compared to other collagen peptides, but it brings a multitude of benefits to skin, joint and hair health, while effectively repairing damaged cells and rejuvenating the skin's elasticity, firmness and suppleness.

The

4

effects of
Collagen Tripeptide Powder

Locks in moisture to keep skin moisturized and supple

Repairs damaged collagen fibres to increase skin elasticity and reduce wrinkles

Promotes the repair and healing of damaged bones and joints

Improve nail and hair health

Direction

Take a teaspoon(≈1.8g)with any beverage of your choice, such as water, milk, juice, or even with meals.
